After Legalization: Understanding the Future of Marijuana Policy is a groundbreaking new book examining how legal marijuana will likely be treated in the United States 20 years from now. According to Gallup 58 of Americans support ending marijuana prohibition, and Colorado and Washington State have already passed historic ballot initiatives to tax and regulate pot. When it comes to marijuana in the United States, it is no longer a question of when, but how it will be legalized. After Legalization is a creative exploration of one likely future for legal marijuana that will give readers a sense of the coming battles, relevant players and political dynamics which will dominate the issue in the coming years.
