Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which it basically transformed me, modified the way in my opinion.

Morgan James Publishing llc, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Corporate Christianity is about the Hi-Jacking of the Christian Tradition by Double Minded Pastors; that is putting money first and God caught-up somewhere in the mix. God says seek ye first His Kingdom and His righteousness. The soul-saving power of the Christian Church is held hostage by the prosperity preaching/teaching of double minded Pastors. This was not God s intent for the birth, life, death, shedding of blood, crucifixion and resurrection of Jesus. Nor was it Jesus intent when He told Peter upon this rock I shall build my Church and the very gates of hell shall not prevail against it. God is angry everyday with wickedness. Something is drastically wrong with the preachment in modern day Christian churches. In Minority communities there are Church-Houses on every corner and dope-houses on the other. In the Majority community there are magnificent cathedrals in affluent neighborhoods. Yet, there is an astounding decline of moral integration in American society. Without a doubt, eleven o clock on Sunday morning is still the most segregated hour in American society. Jesus lived, preached, prayed, and died for the moral integration of flesh and spirit. God says I know your works. I see you before you see yourself.
