

The Stranger and the Time Machine (Paperback)

By Phil Scrima

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Science fiction, adventure, mystery, it's all there. Travel back and forward in time with the Stranger and follow how he progresses from a mortal human being into a god. This story delves into how these aliens evolved over billions of years in time to become, Gods of the Universe. Each mission is action packed with different adventures. The reader will keep turning pages until the very end. Although these stories are science fiction, the author believes that the human race can obtain most of what's enclosed in these episodes. Immortality as this story reveals, may be possible in the future by downloading our brains and motor skills to a clone or android body. We'll be leaving your universe, and you'll penetrate into another dimension in time, Alexis explains. This is beyond physics known in your world. We're about to enter a wormhole, a tube made of space-time that connects two different regions. These funnels taper down to what is known as a throat. The exit can be partially pinched; however,...
