GRIN Verlag. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 7.9in. x 5.5in. x 0.6in. Seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 1, 0, University of Hamburg (Institut fr Anglistik und Amerikanistik), course: Die englische Literatur der neunziger Jahre, 9 entries in the bibliography, language: English, abstract: Numerous contemporary British novels display an almost obsessive concern with the notion of Englishness. Hence, they focus on the myths, traditions and attitudes that are regarded as typically English. With its interest in Englishness, the nature of historical truth, and the blurring of boundaries between the authentic and the imitation, Julian Barnes novel England, England (1998), which was short-listed for the Booker prize in 1998, shares important concerns with many contemporary British novels. Hence, this novel shows all the features characteristic of postmodernist historiographic metafiction. That is to say, like other historiographic metafictions, England, England is both intensely self-reflexive and yet paradoxically also lays claim to historical events and personages. What is more, Barnes novel also reflects the feature which has been the major focus of attention in most of the critical work on postmodernism, i. e. a self-conscious assessment of the status and function of narrative in literature, history, and theory: its theoretical self-awareness of history and fiction as human constructs (historiographic metafiction) is made the grounds for its rethinking and reworking of the forms and contents of the past. One might be justified in saying that Barnes novel explores, constructs, parodies, and deconstructs the invented traditions known as Englishness. The novel incorporates a great number of different traces of the English cultural past, including many myths and legends, juxtaposes competing versions of and discourses about Englishness. Additionally, it also explores the complexity of any account of a nations organically grown cultural memory...
