Closing Remarks Author Bio Introduction Gardening is one of the easiest and best ways to feel accomplished, work off a bit of stress and make the world a little more beautiful.even if it s just your own little corner of the world. Unfortunately, many people think gardening isn t for them. They think they don t have room, don t have a green enough thumb or don t have the time to garden. Are you one of these people? If so, this book is going to change your mind and make your world a more colorful, sweet-smelling place and add some flavor to your kitchen. The room necessary for container gardening can be as small as a ledge on a porch rail or the top of a nightstand. Or if you are fortunate enough to have a deck, patio, porch or even a bit of lawn space, container gardening is an option for you. As for having a green thumb, don t worry. It s more important that you have thumbs (and fingers) willing to get dirty. While it is true that some plants are more difficult to grow than others, there are dozens of plants that require minimal care while still providing color, pleasant scents and even air purifying benefits inside and outside of your home. The...
