First Theory Book (Classic Reprint) (Paperback)

By Angela Diller

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from First Theory Book Object The object of this Theory Book is to provide the student with such a background of musical experience, through his sense of hearing, as well as through his intelligence, as shall enable him to study to some purpose Form, Harmony, and the other branches of Musical Theory. The work covered in this book is, therefore, distinctly preparatory, and is intended to precede, not to replace, more formal study. Method of Study The subject-matter of all theory books is approximately the same. The differences between them are largely in the order and manner of presentation of the various topics. In this book, the explanations and directions for practising the Exercises may seem unnecessarily detailed; but, at the risk of being tedious, the author has endeavored to write out the consecutive steps that most students must take in mastering the different subjects. In the opinion of the author, phrasing should be introduced in music-study at the earliest possible moment; hence its place at the beginning of the book. The experienced teacher will, of...
