The Flourish Handbook: How To Achieve Happiness With Staying Power, Boost Your Well-Being, Enjoy Your Life More and Reach Your Potential. Your journey to a more enjoyable and fulfilling life begins here. Some people just cope and enjoy life, no matter what it throws at them. They have this innate ability to shrug off adversity. They deal with tragedies and setbacks with dignity and seize each opportunity. They squeeze every ounce of enjoyment out of every single moment and have an amazing support network. Instead of complaining they show gratitude, instead of dwelling on the past they focus on the present. Such people love their work and achieve balance between that work and living life itself. They fill their life with engaging activities and strive to achieve their goals, remembering to enjoy the journey en route. They determinedly pursue their purpose and accomplish whatever they set out to do. These people are flourishers; they know how to flourish rather than languish. They live lives which maximise the five pillars of well-being as established by the worlds best positive...
