Brand New Book ***** Print on Demand *****.Speaking of Messiah, John tells us that Whoever says that they abide in Him, ought himself also to walk just as He walked. This book takes a deep look into the life of Messiah into the way that He walked while He lived among us. The conclusion reached is one that you might find surprising. His life is dutifully documented as one of strict obedience to the law of the Father. Thus, by John's words we must also walk in obedience to the law. This book indeed challenges many of the core-beliefs of modern Christianity, but it does so from a strictly scriptural perspective. The author uses scripture alone to make his case. This book is for those that have seen and questioned the many theological discrepancies of the modern day church.
