Well. hardly anyone until now. A fictional story set within actual historical events, Klufford s Holler tells a witty, creative and heart touching tale about the culture, traditions and religion of mountain people who s lives have always been the same for generations. Then all of a sudden, powerful forces from the outside world come to take the whole region over. Why? Because there s a whole lot more to things than may appear! Klufford s Holler is a story filled with southern culture humor, lovable mountain townsfolk, some evil villains, a heroic town preacher, a mysterious old hermit and a wealth of Messianic imagery. The story not only entertains, but also educates the reader about the intriguing history of the Smoky Mountains in the late 1930 s and early 1940 s. The very real part the region played in winning WWII is an amazing story all in itself! The town of Klufford s Holler is a place you ll never forget.
