In every instance the court held, under a very literal and somewhat strained construction, that the statutory right to apply for injunction relief pertained solely to the Federal Government, operating through the Department of Justice. Summarizing the results obtained in public prosecutions, as well as in private suits, brought under the anti-trust statutes, it will readily be observed that the actual gains are far from satisfactory to the moving parties. It is true a number of powerful combinations were dissolved; but their separate units almost universally continue under the old ownership and control; and instances exist where there is ground for belief that the overhead charges for administration are increased by duplications of official staffs, and that some measure of economic waste has resulted from the enforcement of the separatistic dogma inherent in the Sherman Act itself. We do not in the least dispute...
