## Just Like a Woman

By Dianne Hales

Bantam. Paperback. Book Condition: New. Paperback. 416 pages. Dimensions: 9.2in. x 6.2in. x 1.1in. In recent years researchers in many scientific fields have actively focused on what being female really means. Their startling conclusion: Almost every assumption made about women--physical, medical, historical, psychological--turns out to be untested, unproven, or untrue. Stereotypes about women are as old as time--and as current as still-too-prevalent beliefs based on male models. Acclaimed health writer Dianne Hales brings together the cutting-edge research in anthropology, physiology, psychology, neuroscience, endocrinology, and medicine in a book that reveals the complex interconnections between all aspects of a woman's life from infancy to old age. Gender science is now clearly demonstrating that women are not the second sex but a separate sex, unique in body, mind, and spirit. Just Like a Woman explains what it means to live in a woman's body, think with a woman's brain, drink in the world with a woman's senses, and react with a woman's sensibility to the stresses and elations of her multiple roles. Refreshingly free of ideology, this meticulously documented book offers a stunningly liberating message that expands our concept of human potential--and will forever change the way every woman views herself. This item...

### Reviews

*Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).*

-- **Mr. Antwon Frami**

*I actually began looking over this pdf. This can be for all those who state there was not a worthy of reading through. I am easily can get a enjoyment of reading through a written publication.*
