The Third City: Chicago and American Urbanism

By Larry Bennett

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, The Third City: Chicago and American Urbanism, Larry Bennett, Our traditional image of Chicago-as a gritty metropolis carved into ethnically defined enclaves where the game of machine politics overshadows its ends-is such a powerful shaper of the city's identity that many of its closest observers fail to notice that a new Chicago has emerged over the past two decades. Larry Bennett here tackles some of our more commonly held ideas about the Windy City-inherited from such icons as Theodore Dreiser, Carl Sandburg, Daniel Burnham, Robert Park, Sara Paretsky, and Mike Royko-with the goal of better understanding Chicago as it is now: the third city. Bennett calls contemporary Chicago the third city to distinguish it from its two predecessors: the first city, a sprawling industrial center whose historical arc ran from the Civil War to the Great Depression; and the second city, the Rustbelt exemplar of the period from around 1950 to 1990. The third city features a dramatically revitalized urban core, a shifting population mix that includes new immigrant streams, and a growing number of middle-class professionals working in new economy sectors. It is also a city utterly transformed...
