Book One in the continuing best-selling series, Places to See. It was thoughtful of Aubri s boss to send her anywhere in the world for a Christmas gift. As the buyer for her department store, if Aubri traveled to Germany she could kill two birds. She d find clever, unique German gifts while enjoying the sites. Aubri s mind was focused on work.that was, until she met Ryker. She was looking for nutcrackers and not a ruggedly handsome German who wanted to ask her out. After finding himself blinded in a fall, Ryker spent most of his time working at his family s old world Christmas shop. His family loyalty ran deep and they needed him. Between his long work hours, he knew that it was twelve hundred cobblestones between his shop and the town square. Getting around town with little assistance and work was all he needed, or that s what he thought until he met Aubri. Come for a fun filled holiday ride across the German countryside to see if Aubri and Ryker find that being out your comfort zone can also bring you love.
