Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

(Dr. Willis Walter)

DEMOCRACY UNDER ATTACK: HOW THE MEDIA DISTORT POLICY AND POLITICS

Policy Press. Paperback. Book Condition: new. BRAND NEW, Democracy Under Attack: How the Media Distort Policy and Politics, Malcolm Dean, Malcolm Dean, The Guardian newspaper's longstanding chief monitor of social affairs, expertly indicts his own trade through a series of seven case studies on the influence of media on social policy. Drawing on four decades of top-level Whitehall briefings, topped up by interviews with 150 policy-makers, the book is packed with insights, and colourful stories from events in Whitehall's corridors, culminating in a damning list detailing the seven deadly sins of the 'reptiles' (modern journalists). A new final chapter reports on the News International hacking scandal, and the subsequent Leveson Inquiry, prompting criminal and civil lawsuits and leading to a radical press regulator plan. Written in an engaging way, it offers a unique insider's perspective and a detailed and valuable account of what goes on in news rooms, pressure groups, departmental policy divisions and Parliament.
