Many books have investigated whether Newton believed that an original pure knowledge existed. Some conclude that he did in fact search for it, but that is the whole of their investigation. A few have written that Newton actually discovered "something" and try to fit his existing research into a *prisca sapientia* of their own design, claiming his beliefs fit modern realms of philosophy or eastern religions, but these speculations are not upheld by the body of his work. Although Newton had solved riddles of space, time, gravity, light and...
