Brand New Book ***** Print on Demand *****.Important thing while planning a wedding is to consider the budget you have for the wedding. You have to be very precise with numbers while planning for wedding firstly you need to enlist all of the expense for all the events that you will have for that wedding. You need to research the market before shopping for the wedding so that you can go through all of the available options and the offers that best suit you in terms of budget you have for wedding and type of wedding you are arranging like if it is first wedding you need to move for big party and if it is second or even third you will analyze your budget before spending a penny. Most of the time wedding plans fail due to shortage of the budget so while planning for the wedding you must consider the budget. Apart from planning the wedding Groom will be more concern about making the big day very memorable for the bride and her family along with making other arrangements like reception and wedding party. Bride is more concern about her marriage life, feeling about post marriage conditions. Having all these situations, planning your wedding gets tricky. So it is preferred to hire a wedding planner. You can ask you friends to help you out in planning. Normally planning involves the arrangement for the reception, the wedding party, decoration, guests enlisting, catering, music, arranging usher, dress selection, hair styling and other wedding related arrangements. What You ll Get Inside: CHAPTER 1 - Introduction CHAPTER 2 - Wedding Etiquette and Speeches CHAPTER 3 - Ceremony Location Ideas CHAPTER 4 - Party Ideas CHAPTER...
