By Ed Anthony Trollope

Brand New Book ***** Print on Demand *****.Anthony Trollope was an established novelist of great renown when Nina Balatka was published in 1866, twenty years after his first novel. Except for La Vendee, his third novel, set in France during the Revolution, all his previous works were set in England or Ireland and dealt with the upper levels of society: the nobility and the landed gentry (wealthy or impoverished), and a few well-to-do merchants - people several strata above the social levels of the characters popularized by his contemporary Dickens.
