BookBaby, United States, 2016. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. The author wrote letters to notable people over the course of almost a half century and received fascinating responses. Letters written long ago sound like today s headlines. Things that thrilled and delighted then still offer joy and enrichment today. The book is an entertainment with some information not usually found. The news these days is so full of violence and anger. This book presents, undergirded by no less than Walker Percy, Shakespeare and Carlos Eire, an alternative way of looking at the world, a celebration of creativity and intelligence. Readers will laugh, cry, and gasp in recognition as they read the author s stories of her adventures and thoughts. An Epistolary Life is a delightful balm for the times we live in. .
