## Words, Words, Words: Teaching Vocabulary in Grades 4-12 (Paperback)

By Janet Allen

Stenhouse Publishers, United States, 1999. Paperback. Book Condition: New. 231 x 175 mm. Language: English . Brand New Book. Do you spend hours creating word lists and weekly vocabulary tests only to find that your students have forgotten the words by the following week? Janet Allen and her students were frustrated with the same problem. Words, Words, Words describes the research that changed the way she and many other teachers teach vocabulary. It offers educators practical, research-based solutions for helping students fall into new language, learn new words, and begin to use those words in their speaking and writing lives. This book offers teachers detailed strategy lessons in the following areas: activating and building background word knowledge; making word learning meaningful and lasting; building concept knowledge; using word and structural analysis to create meaning; using context as a text support; making reading the heart of vocabulary instruction. Words, Words, Words provides educators with a strong research base, detailed classroom-based lessons, and graphic organizers to support the strategy lessons. At a time when teachers are struggling to meet content standards in reading across the curriculum, this book offers some practical solutions for meeting those standards in ways that are meaningful and...
