Brand New Book ***** Print on Demand *****.Excerpt from The North American Review, Vol. 150: Re-Established by Allen Thorndike Rich He visited Great Britain, made what he considered to be an inspection of the employments, wages, and condition of the people, and reported the result to his countrymen, while they were warm with the animation of the national contest, under the doleful titles of Free-Trade Toilers and Starvation Wages for Men and Women. He was good enough to forward to me a copy of his most interesting tract, and he did me the further honor to address to me a letter covering the pamphlet. He challenged an expression of my opinion on the results of free trade in England and on the relative value of free trade and protection to the English-speaking people. There was an evident title thus to call upon me, because I had, many years since, given utterance to an opinion then and now sincerely entertained. I thought, and each of the rolling years teaches me more and more fixedly to think, that in international transactions the British nation for the...
