Brand New Book ***** Print on Demand *****.Excerpt from The Practical Application of the Slide Valve and Link Motion to Stationary, Portable, Locomotive, and Marine Engines: With New and Simple Methods for Proportioning the Parts Link and Valve Motions has had a phenomenal sale during the past twenty-five years. It has proved itself both a standard authority with Mechanical Engineers and Draughtsmen, and a valued textbook with Colleges and Technical Schools. Its market has not been confined to the United States, but it has found ready sale in Great Britain. It was so favorably considered by the noted journal - Engineering, of London - that it closed its critical review of the book with these words: All the matters we have mentioned are treated with a clearness and absence of unnecessary verbiage, which renders the work a peculiarly valuable one. The Travel Scale only requires to be known to be appreciated. Mr. A. writes so ably on his subject, we wish he had written more. About ten years ago, Julius Springer, of Berlin, published Link and Valve Motions in German under the title: Schieber...
