Mercury Learning Information, United States, 2014. Mixed media product. Book Condition: New. 226 x 175 mm. Language: English . Brand New Book. Designed for business managers, environmental health and safety (EHS) personnel, and environmental engineers, this book can be used as a textbook or an industrial guidance reference on conducting environmental audits across all industries. It explains the audit process, from planning, to the actual audit, to the evaluation of results and necessary corrections. The primary emphasis is on condensing the numerous volumes of environmental laws, rules, and regulations into a brief and understandable series of questions. These audits also contain checklists for source reduction, waste minimization, reuse, and recycling before waste disposal. The audits will also encompass water, air, solid waste, remediation, chemical and petroleum bulk storage, and many health and safety requirements. It includes a DVD containing the USEPA multi-media checklists across all programs. It condenses numerous volumes of environmental laws, rules, and regulations into an: understandable series of questions; provides a supplement on how to deal with environmental regulatory inspectors.
