Brand New Book ***** Print on Demand *****.Organizational development books are forever focused on various strategies to help. What has been missing is a system on intrinsic motivation for the workplace that spells out the key pieces of the intrinsic motivation puzzle and how they fit together. As a Business Owner or Manager, do you have trouble sorting the hype on workplace culture? Organizational development books are forever focused on various strategies to help. What has been missing is a system for an effective workplace culture that spells out the key pieces of the puzzle and how they fit together. This process is crucial to you if you worry about: What sabotages our productivity? How do we prioritize so we are not paralyzed and reactive? How do we get productive instead of just busy with distractions? What makes our customers happy and keeps them coming back? How do we stay on track to achieve goals and meet desired outcomes? What will help us take effective action and maintain momentum? This book is designed to answer your most fundamental questions about workplace culture change. They include: 1. How do I assess the condition of my workplace culture? 2. What do my Senior Team and I need to learn and commit to do? 3. Why would we transform our workplace culture? 4. What should we transform from, into? 5. How can I protect my reputation, grow my business and keep my customers coming back? 6. Where do we start and what is the process? What is needed is a comprehensive set of human systems providing a framework, process and tools to lead your managers and staff from motivational problems to effective solutions. This book introduces...
