Random House USA Inc, United States, 2008. Hardback. Book Condition: New. Reprint. 170 x 40 mm. Language: English . Brand New Book. Never have the stakes been higher. Never have two people faced greater risks or grappled with deeper desire. Never has Cherry Adair-award-winning author of Hot Ice-burned the pages with so much blazing action and blistering passion. Professional art restorer Emily Greene is in no mood to see the devil-may-care Max Aries. She hasn't forgotten-or forgiven-the way Max dropped into her life a year ago, stole her heart, then vanished without a word. Max hadn't kept in touch with his father, Daniel, either. Daniel Aries had been a master of art restoration and reproduction, and not only Emily's longtime mentor, but a trusted friend. His unexpected suicide devastates her. And when the prodigal playboy Max returns, her welcome is less than warm-even though his timely arrival in her bedroom saves her from a lethal intruder. But her fury gives way to fear when Max reveals that his father's death was actually murder . . . and that Emily's life is now in danger. Like it or not, to stay alive, Emily must put herself in Max's hands. And once upon a time, that wasn't such a bad place to be. But what killer would target professional restorers of Renaissance artworks? Max suspects that a pencil sketch found in his father's studio, inscribed with a cryptic code, may hold the key. His hunch is confirmed when intel from his control at the counterterrorist organization T-FLAC reveals that the Black Rose terror cell is involved-a chilling revelation that elevates the threat level almost as high as the tension that's bristling between Max and Emily. Max isn't about to take his eyes...
