Createspace, United States, 2013. Paperback. Book Condition: New. 274 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.In a book like no other. Travis Breeding goes where no one has gone before and talks about his experience with puberty and sexuality with having Autism. This is anything but the birds and bees of puberty and sexuality. You will get real life experiences as Travis shares his heart with you. Sexuality is confusing for teens and young adults on the Autism Spectrum. You ll learn how Hollywood confuses are teens with things seen on television. You ll see how the special interest can play a role in sexuality. You will go through Travis s junior high and high school experiences. You will learn how important it is to teach and develop your child s self esteem before they reach puberty. Most importantly you will learn just how important context really is. This book is a must read for all parents and educators wanting to gain better insight into their children or students. When talking about puberty with your child it s important to remember and understand two things related to social skills. 1. Social Thinking 2. Social Context Social thinking is more than just the social skill. When I am socializing I am using more than just the skill. I m thinking about how it s being perceived by others and what I can do to maintain a conversation. I m thinking about how I m standing. Where my eyes are. There s a lot to this that is covered in the book. Context is how something you tell your child might be perceived by them. An example of this is a young woman with Autism who is now a mom. Her mother had always told...
