

Capturing Change: Globalizing the Curriculum Through Technology

By Carlette Jackson Hardin

R&L Education. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.9in. x 5.8in. x 0.5in. Technology has allowed the world to become a smaller place. Today's students will have actual and virtual access to more parts of the world than ever imagined by the previous generation, and teachers must be skilled in providing a global perspective to the curriculum that goes beyond the traditional focus on heroes and holidays. Instead, new approaches will extend the focus of the classroom to a more inclusive, global perspective. Such new approaches that include the creative use of technology will help students understand and appreciate those who live in different cultures. The purpose of Capturing Change is to provide these approaches. This book offers: 1. Three models for globalizing the classroom. The first model approach promotes a global curriculum, which focuses on understanding of individual differences and on reducing conflict between cultures. The second model is an integration approach, which advocates the inclusion of global issues into all curriculums. The third model reviews the traditional unit approach. 2. Activities that utilize technology. There are four strategies proven effective for using technology in the classroom as suggested by The International Society for Technology in Education (ISTE)...
