The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from A Souvenir Pamphlet: Being Six Sermons These Sermons are selected and published by friends in the First Church, Pasadena, and I am asked to write a few words of introduction. There is no gospel worth preaching but the Gospel of Divine Grace, the grace of God that bringeth salvation. That Gospel is clearly, fully and lovingly revealed in the Bible - God its Author; truth without mixture its matter; and salvation its end. Of that Gospel the Christian preacher is the herald. He has simply to preach the preaching that God has bid; and God s bidding is so plain that he may run who reads. I have always aimed to preach a pure, simple and full Gospel; and in this endeavor one of my sweetest memories is of the beloved church in Pasadena, with which I labored seven happy years. As I look over these Sermons, I am back again in that pulpit which I left so reluctantly. I see again the many dear faces; I feel once more the quick and sympathetic response of hearts made new by the Spirit of God. God bless you all! What we so feebly preach now, we will gloriously sing together hereafter. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
