

## Really, Really Big Questions About Science

---

By Marc Aspinall

Kingfisher. Hardcover. Book Condition: New. Hardcover. 64 pages. Dimensions: 10.5in. x 9.3in. x 0.5in. Prepare to exercise your mind as you investigate big ideas in Really, Really Big Questions About Science by Holly Cave, illustrated by Marc Aspinall. Cool illustrations, brainteasers, and quirky quotations add to the simple and fun question-and-answer format, introducing readers to life's important questions. What's in empty space if it's not empty? What makes something funny? Can elephants cry and what came first: the chicken or the egg? Get the answers to these questions and more in the fifth installment of the Really, Really, Big Questions series. The most common questions about living things, the weird world around us, inventions, and Earth are asked and answered through humorous writing, funky art, and fun features like optical illusions, quotes and mind-teasers. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.

### Reviews

*This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).*

-- Miss Golda Okuneva

*This pdf is so gripping and fascinating. It really is really intriguing through looking at period of time. I am pleased to tell you that this is basically the very best publication we have gone through within my personal lifestyle and might be the very best ebook for ever.*
