

The Architectural Jewels of Rochester, New Hampshire: A History of the Built Environment (Paperback)

Filesize: 4.05 MB

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Miss Celia Volkman)

THE ARCHITECTURAL JEWELS OF ROCHESTER, NEW HAMPSHIRE: A HISTORY OF THE BUILT ENVIRONMENT (PAPERBACK)

History Press (SC), United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. Rochester may be better known for its rolling hills and lilac fields than for its architecture, but look closely and the city's hidden gems reveal themselves. In this survey of Rochester's historic architectural elements and styles, city planner Michael Behrendt encourages you to slow down, look round check out the fancy cornices on North Main Street and admire the brickwork on the few remaining mill structures. Impress your neighbors by pointing out the Italianate, Queen Anne, Georgian or Federal styles of their houses and identifying the mansard roofs, oriel windows and porticos around town. Drawing from his series of articles written for the Rochester Times, Behrendt examines everything from barns, churches and schoolhouses to the prominent Rochester Opera House. Discover Rochester's history as written in brick and stone, marble and mortar.
