Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *The Cries of London, Vol. 2: Exhibiting Several of the Itinerant Traders of Antient and Modern Times* The present work was some years since prepared for the press by its late ingenious author, who engraved all the plates for it himself, thirteen of which are copied from early prints, and the rest sketched from the life. It will easily be perceived how much superior the latter are to the former. The descriptions of the plates were also prepared by Mr. Smith, and had the benefit of revision by the late Francis Douce, Esq. F. S. A. These spirited etchings having become the property of the present Editor, they are now for the first time submitted to the public; who will, it is hoped, consider this volume an appropriate companion to Mr. Smith's *Vagabondiana; or, Anecdotes of Mendicant Wanderers through the Streets of London*, which work was honoured by a masterly Introduction from the pen of Mr. Douce. The Editor has taken the liberty, occasionally, to adapt the letter-press to the present day; but the reader will kindly bear in mind that the work was written several years since; and that in the interval many changes have taken place, which it was not thought necessary to point out. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
