Brand New Book ***** Print on Demand *****.The most dangerous predators among us are ingeniously veiled. They lead secret lives. They lie effortlessly. They appear with a perfect public image that most people believe. In the shadows, when no one is looking, they do savage evil to their family members, their children and those that love them. Charlie is 34, single, wealthy and having too much fun. His estranged mother, Pandora, his evidently brain damaged father and his parasite single brother, Felix, come to live with him. Cognitive Behavioral Therapy is the order of the day with a line or two, a tart and a large Gin and Tonic. Will love blossom in this middle class Homecoming? The Narcissist is the blackest comedy drawing on the most sinister of collectors, one which is always spelt with two "I"s.
