At the end of the year it is found that \$250,000 of the bonds of the corporation have been sold to the underwriters and used for betterments. The results of the business for the first year show a profit of \$1,000,000, after charging off 10 for depreciation on plant. Declare such a dividend as in your judgment is reasonable, crediting surp us with whatever balance remains, and give a statement of condition, using your own figures in ascertaining tbe profit. PROFITS OF A CORPORATION DEFINITION OF PROFITS 29. In the widest possible view, profits may be stated as the realized increment in value of the whole amount invested in an undertaking; and, conversely, loss is the realized decrement in such value. Inasmuch, however, as the ultimate realization of the original investment is from the nature of things deferred for a long period of years, during which partial realizations are continually taking place, it becomes necessary to fall back on estimates of value at certain definite periods, and to consider as profit or loss the increase or decrease between any two such periods. Hence, it follows that, as stated in...
