Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Exceptionally Sinful Scrumptiousness Little Miss Dangerous is a hardcore erotic love story like no other. because it's real! And sometimes, just sometimes, real life can be far more dramatic and erotic than fiction. Steven is a genuine Viking, a modern day warrior. However, no matter how strong and powerful a man may be, it is a woman that can bring him to his knees. Steven and Anna come from different worlds with entirely unrelated lifestyles. She is a numbers cruncher who lives by a strict schedule. Her life is safe, but dreadfully routine. Steven is a worldly man. He's impulsive, eccentric, and lives life on a razors edge. Anna keeps her life private whereas his is an open book and in the public eye. When it comes to sex, having lived the life of a Rockstar, Steven thought he had experienced all of the wild side of sexual exploits. However, the seemingly timid Anna exposes him to a place he has never gone before. Anna is a powerful woman in business who wants to be dominated. They are complete opposites in almost everything, but Steven and Anna are not only made for each other, they need each other. Little Miss Dangerous is a captivating, heartwarming, and a wicked romp under the sheets. An awesome story with a plot on dynamite. I enjoyed every line.
