TALES OF THE PANDAU (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Preface: A WORD of explanation is due to the Reader of the following Tales of the Pandaus. They have no claim whatever to be considered exact reproductions of Hindu fable, as they have in fact little or no foundation in legend or chronicle. The main thread of each is purely imaginary; though a certain veri-similitude to recorded quasi- historical legend has been observed throughout the work. The heroes of the Mahabarat, selected as representative champions in the following Tales of the Pandaus, are: - (1) Yudishtira - called also Dharm-raja, the Just King - he was Lord of Indra-prastha (ancient Delhi). His name is derived from the Sanskrit word Yudhi, battle, and sthira, = unflinching in the fight. He was eldest and perhaps the most interesting character of the five heroic brethren. (2) Bhim-sen or Bhima, the Strong one. He was commander-in-chief of the Pandau armies. (3) Arjuna, the Valiant - Lord of the Sounding Bow - a most interesting character. The friend and ally of Krishna. (4) Nakoola, the Wise one; sometimes called Nizkoola. (5) Sahadeva or Sediva, the Handsome man. The five brethren are sometimes represented as types of the abstract qualities for which they were respectively distinguished. The five stories are reproduced in the order in which they were written: one of them only (Sediva) has previously appeared in print. These stories do not aspire to serve any moral purpose: they were written simply to amuse fellow-travellers; mostly at the localities introduced in each story. No. I. was mostly written in camp during one long summer s night in the forest of Kujjear in Chumba, which forms part of its theatre of action;...
